

Sitchting Bless Holland - Beleidsplan 2022-2025

Strengthening National and International Christians within the Netherlands through prayer, personal creativity and entering into strategic partnership(s). To promote the personal development and change of Christians in the Netherlands to be transformed and serve people's lives.

BLESS HOLLAND organizes meetings with a substantive program for the personal (faith) development of the participants. Furthermore, the supporters are informed about the developments within the Stichting and projects that have a link with the umbrella BLESS organization. The donations also provide financial support for various causes that have a link with the mission of BLESS.

The 3 activities Bless Holland calls participants to for the term of this beleidsplan include:

Pray for Europe (prayer rhythms, activities and resources)

- Promote and Facilitate the Seven Stories equipping material which is designed to develop a mature, mission minded Christian faith
- Promote the Seven Story program and host Seven Story groups
- Send two news updates per year on Bless Holland and Bless Network activities

Live for Others (mission trips and projects alongside local churches)

- Raise funds for projects undertaken by the Bless Network including but not limited to Bethany Centre where retreats and teaching weeks are held, SOS Chai, full-time Christian workers committed to leading and serving in such projects
- Raise awareness of the above-mentioned projects
- Promote and Facilitate serving among people from the Netherlands in the above-mentioned projects

Gather for Change (conferences, individuals, groups and gatherings to fuel personal development and creative mission)

- Hold minimum of two gatherings within the Netherlands each year for the purposes of worship, prayer, community meals, fellowship and teaching
- Facilitate, promote the creative arts as an expression of faith
- Promote the Blesstival Weekend held in France each year to connect with the wider Bless Network
- Further strengthen and develop the Bless Holland network and support base
